**Dear Mr. Inglis:**

Once again, with the tremendous support of the community, we have been able to honour and reward our graduating students. Much hard work and effort has been required to see them get to this point. We want to acknowledge the efforts of the students, their teachers, their parents and guardians, family, and community members. We all share in the pride and joy of this accomplishment.

These young men and women will now move on to new challenges in their lives. Some will look for immediate employment while others will seek to further their education at universities, community colleges or other educational institutions. The costs of continuing on in post secondary studies is very high and without your support many of our students would not be able to afford this opportunity.

Consequently, on behalf of our students and staff, I wish to express my sincere gratitude for your support of Liverpool Regional High School graduates by presenting THE KINSMEN AND KINETTE CLUBS' MEMORIAL BURSARY at the 2008 Graduation exercises.

Sincerely,

**Terry Doucette  
Principal**
